TWO MORE TEAMS

Has Strong Relay for Race-William and Many Enters

Her Team,

University of Virginia has just decided to enter two relay teams in the indoor track meet which occurs in the Horse Show building on Saturday night, February 19th. One will be a mile and the other a two-mile team. The mile team will probably run against Western Maryland College, and the two-mile race, which will probably be the star event of the programme, will be run against George Washington College, of Washington, D. C. In this race each of the four men in a team will run a half mile, and the entire relay race will probably take about eight and one-half minutes to be run. This will occupy enough time for the race to be won and lost at least half a dozen times. The admirers of Virginia will be glad to know that her two-mile relay team is especially strong, and the race with the strong George Washington team has good chances of falling to the orange and blue.

Another interesting relay race will be the one between Virginia Polytechnic Institute and Georgetown. Both have very fast teams, and both are excellently trained, with Georgetown the better of it in point of experience.

William and Mary has picked her relay team, which will run against Richmond College and Randolph-Macon in a tiree-cornered event. The personnel of William and Mary's team is as follows: S. H. Lane, J. E. Walls, J. Y. Mitchell, Arthur C. Smith and Carl E. Longnecker.

William and Mary also enters O. B., Watson and J. E. Walls in the shotputting event.

Richmond Academy, Richmond High School and McGuire's will have their trials to-morrow afternoon on Richmond College campus. The result of these trials will be the picking of their teams for their three-cornered relay race, in which a great deal of interest among the younger set is manifested.
